

[www.Medicare.gov](http://www.Medicare.gov)

**Great web-site for anything related to Medicare.**

[www.wship.org](http://www.wship.org)

**The Washington State Health Insurance Pool (WSHIP) is an independent, non-profit health plan created by the Washington State Legislature.**

[www.Insurance.wa.gov](http://www.Insurance.wa.gov)

**Provides information and rates on all plans available in State of WA. Also provides information on agents and insurance companies.**

[www.webMD.com](http://www.webMD.com)

**One of the largest and oldest sites devoted to healthcare issues.**

[www.DrKoop.com](http://www.DrKoop.com)

**Dr. Koop was a highly respected former US Surgeon General. I find this web-site easier to navigate than webMD.com.**

[www.youtube.com](http://www.youtube.com)

**Believe it or not you can pretty much view any surgery you could imagine.**

**The following web-sites are all about finding and rating providers. Much of the content is fee based.**
